Angela Kane spent over 35 years working for the United Nations, both in New York and in the field. Her last positions were Assistant Secretary-General for Political Affairs, Under-Secretary-General for Management, and High Representative for Disarmament. Ms. Kane has been a distinguished visiting professor at the Paris School of International Affairs/Sciences Po and at Tsinghua University/Schwarzman Scholars in Beijing. Currently, she is the Chair of the United Nations University Council in Tokyo and the Co-Chair of the Regional Council on the Korean Peninsula of the World Economic Forum. She is a member of the Group of Eminent Persons, Comprehensive Test Ban Treaty Organization, as well as a Member of the Group of Eminent Persons for Substantive Advancement for Nuclear Disarmament (Japan). She is also a Member of the European Leadership Network; and chairs and serves on NGO Boards in Europe, United States, and Asia. Ms Kane is a Senior Advisor to the Nuclear Threat Initiative and served as the NTI Sam Nunn Distinguished Fellow between 2021 and 2022, supporting NTI's work on global threat reduction.
